Hi Bill – I know that SMP completed the cultural resources survey for the Chuckery Area and the dam pool and you should have all of those reports and documentation. I'm not sure if they included the former power plant area but I would check their reports before reaching out to her.

Hi Mary Beth and Chris – I'd like to send Megan Schaeffer from Summit Metro Parks an email asking what the current status is of the Cultural Resources survey of the Chuckery Area, the dam pool, and the former power plant area. Is this acceptable to you? I will definitely copy you two on the email.

Cheers!

Bill
